Description

HOOK Reveal 9 50/200 with Deep Water Performance & Base Map

The all-new HOOK Reveal makes fishing easier, delivering powerful performance with proven fish-finding tools including, Autotuning Sonar, DownScan Imaging™, improved deep water performance and now FishReveal™, which makes fish easier to see by combining the benefits of Lowrance CHIRP sonar and DownScan Imaging™ on one screen. Whether you're fishing a local spot or unfamiliar water, find the best fishing areas with detailed C-Map charts or map uncharted water – in real time – with Genesis Live.

FishReveal

Fish are easier to find and easier to identify with FishReveal, which combines on one screen the proven performance of Lowrance CHIRP sonar and the high-resolution images of fish-holding structure from DownScan Imaging. Fish targets light up your display.

Genesis Live Real-Time Mapping

Create custom ½-foot contour maps of your local lake or uncharted water – in real time – on the display of your HOOK Reveal with Genesis Live.

Autotuning Sonar

Spend more time fishing and less time reworking your sonar settings with HOOK Reveal Autotuning sonar, which ensures you get the best sonar image every time by automatically adjusting settings as fishing conditions change.

TripleShot™ High CHIRP Sonar with SideScan and DownScan Imaging™

Perfect for anglers who want all their sonar from a single transducer, TripleShot™ features the fish-finding capability of wide-angle high CHIRP sonar and the high-resolution images of fish-holding structure from SideScan and DownScan Imaging™.

50/200 HDI Low/High CHIRP Sonar and DownScan Imaging™

Perfect for anglers who want the best views below the boat, even in deeper water, 83/200 and 50/200 HDI transducers feature the fish-finding capability of powerful CHIRP sonar and the high-resolution images of fish-holding structure from DownScan Imaging™.

SolarMAX™ Display

Enjoy crisp and clear views of your display no matter the conditions – even in direct sunlight – with excellent clarity and daylight visibility of HOOK Reveal's SolarMAX display.

Easiest-to-use Menu Operation and Dedicated Keypad

Easily navigate through menus, select options and access key functions with HOOK Reveal's simple menu layout and dedicated keypad.
